November 2022

Reminders: Saturday, November 12th, we plan to work on the quilt blocks for next year's opportunity quilt. Donna Goehring will do the cutting from the fabric the guild members have brought to share. We will need members to bring sewing machines, irons, ironing boards or pressing mat. The November meeting will start a bit earlier at 6:00 p.m., we will have our annual potluck, along with a Quilting Destash Auction, tickets will be \$.50 each. You may be wondering what this is...if you have anything quilting or sewing related that you no longer want or changed your mind on why you purchased it (needs to be something that others would like). If you have anything you would like to donate, please bring to the November meeting, we will place the items on the tables with a jar beside it. Guild members may purchase tickets for \$.50 per ticket. You then drop your ticket or tickets into the jar of items you would like. At the end the winning ticket drawn from each jar gets the item.

The Onaga Historical Society is scheduling another quilt turning in January and they are looking for someone from our quilt guild to be on the committee. Their next meeting is Wednesday, November 16th. If you are interested, please reach out to the Onaga Historical Society.
